**Reconfirmation Meeting for <December 14, 2020>**

**Reconfirm how instruction (Return to Learn Plan) is going to be delivered during the 20/21 school year: We had no modifications to our Return to Learn Plan.**

(Recommendation: Explain in narrative form any modifications to the original Extended Learning Plan)

As we enter the 2020-21 school year, we are committed to offering all of our students and families three viable options: [In-Person](#), [Remote](#), and [Fully Online](#). We are also committed to putting the structures, systems, routines, and procedures that will ensure that our diverse student population is engaged and achieving under these three modes of instruction. As a result, we are committed to an equity plan that focuses on deep equity work around excellence, voice and access for all.

The [Extended COVID-19 Learning Plan](#) is necessary at YCS to increase student engagement and achievement for the 2020-21 school year because we are in the middle of a Global Pandemic that has significantly impacted the lives of our students, families and staff. The trauma caused by this pandemic has created significant mental health and academic gaps that have negatively impacted student learning. The racial divide and the significant impact of supporters of the Black Lives Matter movement have also created a National Platform that has brought RACE to the forefront of our National Agenda. No longer will people stand silently witnessing hatred, racism, oppression, and the victimization of a group of our citizens just because of the color of their skin. As we move forward, we at YCS will always lead from an equity lens. We are committed to the continuation of deep equity work around excellence, voice, and access for all students, staff, and families - [Statement of Commitment to Equity and Action Plan for YCS](#).

**Modes of Instruction:** Our YCS students will begin their 2020-21 school year on Tuesday, September 8, 2020. All K-8 students will attend school Monday through Thursday in the mode of instruction that their parents chose for them – In-Person, Remote, or Fully Online. Fridays are designed for independent PBL Equity Days where our students' work on individual projects focused on cultivating their genius and generating their energy in freedom dreaming experiences such as storytelling, quick writes, and other creative ways of expanding their knowledge about deep equity work in the areas of excellence, voice and access. We are not taking attendance on Fridays. High school students will begin the year receiving all of their content area instruction remotely regardless if they are receiving instruction in any of our three modes of instruction: In-Person, Remote, or Fully Online. Our HMH Anywhere curriculum allows us to teach our students at any setting. For example: An English teacher may be teaching in-person but can also have students in her class that are learning remotely or fully online. The curriculum allows us the required flexibility to make this happen for our students.

- **In-Person Instruction** will be provided to students in grades TK-5 by our instructional staff four days per week (M-TH) at Estabrook Elementary School. Fridays are designed for independent PBL Equity student work. Grades 6-8 students attend In-Person Instruction 2 days per week (M and T) at YCMS and work remotely with their teachers 2 days per week (W and TH). Fridays are designed for independent PBL Equity student work. Grades 9-12 students attend In-Person Instruction 2 days per week (W and TH) at YCMS and work remotely with their teachers 2 days per week (M and T). Fridays are designed for independent PBL Equity student work.
- **Remote Learning** will be provided to students in grades PreK-12 by our instructional staff 4 days per week (M-TH) via distance learning by our instructional staff using the Flipped Learning Model (A Blended Learning Instructional Model where student voice is honored, respected, and encouraged). The Flipped Learning Model is a student-centered approach to learning that aims in helping students to stay engaged and take responsibility for being more self-directed. Fridays are designed for independent PBL Equity student work.
- **Fully Online** will be provided to students in grades PreK-12 by our instructional staff four days per week (M-TH) via distance learning by our instructional staff using the Flipped Learning Model (A Blended Learning Instructional Model where student voice is honored, respected, and encouraged). The Flipped Learning Model is a student-centered approach to learning that aims in helping students to stay engaged and take responsibility for being more self-directed. Fridays are designed for independent PBL Equity student work. The flexibility of this option is that students can complete the school work independently 24/7 at their leisure. The student is not required to log in to live sessions.

The district is also working closely with the Collaboration for Change team members to identify Community Learning Labs throughout Ypsilanti where YCS students can visit to have access to the Internet, academic and social emotional support, and tutoring throughout the day.
