Human Resources

Damien Butler
Director of Business & Finance

Dear Grizzly Families,

As we enter the month of November, we kick off the season of gratitude and thanks. I am so grateful to serve as your Superintendent. These first months of school have been exceptional. I have enjoyed seeing our scholars growing and engaged in learning.

Last week, we received the exciting news that we were the only school district in Michigan to be awarded the Magnet School Assistance Program Grant. I am so thrilled about the new learning experiences we will be able to offer.

I hope you had a chance to check in with your child's teachers at Fall Conferences. If you missed conferences, reach out to your child's teachers. I'm sure they are eager to connect with you.

Thank you for your support,

Dr. Alena Zachery-Ross Superintendent of Schools

New Video Series - Stronger Together!

Join our Superintendent Dr. Alena Zachery-Ross, as she speaks with voices across the school community in our new video series - **Stronger Together!**

[Click here](#) to view our first episode. Dr. Zachery-Ross is joined by Dr. Celeste Hawkins, Board President, for an informative discussion on the 10-year anniversary of our district and new programs that have been implemented to support student growth.

YCMS students attending school Book Fair!

Erickson staff and students presenting Points of Pride at the October Board Meeting!

YCHS Cosmetology students at Beautiful Luxe Salon!

Perry ELC students learning to play the piano!

ACCE students in Monopoly Economics Class!

Ford ELC Field Trip to Exotic Zoo!

Toyota STEM Game YCS vs LCS

We are proud to be a member of Toyota's Driving Possibilities partnership. This collaborative partnership between Toyota, Eastern Michigan University, and Washtenaw Intermediate School District will help prepare our students for careers in STEM (science, technology, engineering, and math). Through this partnership, we hosted a "Driving Possibilities" event during our home football game against Lincoln. The event included a robotics showcase, a variety of STEM-based activities, food, treats and a performance by our incredible Ypsilanti Community High School band. Topping off the festivities was a celebration of the senior student-athletes on our football team. It was truly an event filled with fun and community for all. Our partners for the event included Toyota Driving Possibilities, Detroit Science Center, WCC, EMU, YCS Central Office, One Pose Photo Booth, Restoration Outreach Ministries, SEMIS, Toyota R&D, YCHS & LHS Robotics Teams, and Print Giants. We thank them for their ongoing dedication to our student's success. Because of their collaboration, as well as the wonderful support we receive from our entire community, we are stronger together!

HELP YCS RAISE AWARENESS

The month of November is dedicated to raising awareness about homelessness. We want to provide the families of YCS with information they will need to combat this national crisis.

PLEASE SUPPORT OUR DRIVES AT EACH YCS SCHOOL TO DONATE TO THOSE IN NEED THE WEEK OF: NOV 13-17, 2023

ELEMENTARY SCHOOLS
Gloves & Socks & Undergarments

MIDDLE SCHOOL
Hoodies & Undergarments

HIGH SCHOOL
Hoodies & Undergarments

THERE IS A GROWING NUMBER OF PEOPLE WHO EXPERIENCE HOMELESSNESS IN WASHTENAW COUNTY

All donations will be dropped off to the school's office. Donations will be dispersed appropriately. We thank you for your participation in advance!

Upcoming Events

Scientist Spotlight featuring *The Buzz on Sweet Foods* Family Day
Sunday, November 12, 2023
11:00 a.m. - 4:00 p.m.

Scientist Spotlight: Only for the curious! Visit with University of Michigan scientists from a variety of fields and participate in engaging, hands-on activities to learn about their cutting-edge research.

Family Day: The Buzz on Sweet Foods: Get your taste buds ready for some science! Discover how sugar and the senses affect our brains through a variety of hands-on experiments and activities. Can you tell the difference between real sugar and artificial sweeteners? Can you identify candy flavors with your nose plugged? Play games and learn about cutting-edge research from U-M neuroscientists. Participants will receive the comic book, *Sugar Buzz*, to continue tasty explorations at home!

Free and open to the public. Suitable for elementary through adult visitors. Made possible with support from the National Science Foundation.
