MINDSET 2

EARTHQUAKES

UNIVERSITY OF MICHIGAN

Sunday, October 27, 2024

3:00 PM - 5:00 PM

tbpmig.org/mindset2signup

Join University of Michigan engineering students on **Sunday, October 27, 2024** for a free, fun, hands on module where students will get to design and build their own structures and then test them on an earthquake simulator to see if they survive. We welcome all interested students from 3rd to 5th grade!
