

## 2024-25 Swim Team Information

Hello Current and Future Grizzly High School and Middle School Swimmers, Divers, and Parents,

We are excited to announce that the YCHS Boy Varsity and YCS Middle School Co-Ed swim seasons are about to kick off! To help prepare for the seasons, we will hold a [Parent and Athlete Informational Meeting on Wednesday, November 13th, at 6 PM](#) at the YCHS Pool on Packard Rd, specifically on the pool deck.

The boys swim season runs from late November through early March. . All practices and home swim meets take place at the YCHS pool located at the high school on Packard Rd.

The co-ed middle school season starts in December and runs through early February. All practices and home swim meets take place at the Willow Run pool located at the middle school on Spencer Lane.

During this meeting, we will discuss the upcoming swim meet schedules, including SEC information, diving details, and the new team handbook. We'll also cover the practice schedule, team expectations, and team gear.

Currently, our teams are small, so we encourage you to invite others to join! Swimmers and divers from YCHS, YCMS, WIHI, WIMA, ECA, WTMC, or any high school or middle school without a swim team are welcome. We want to include anyone who swims or dives as competitive experience is not necessary.

So, if you are interested in more info, please complete this [Google Form](#) and attend the meeting. If you cannot attend the meeting but are interested in joining, still complete the [Google Form](#) and please email us at [ycsswimteam@gmail.com](mailto:ycsswimteam@gmail.com) to let us know. This way we can ensure that all relevant documents and information are shared with you via Google Drive.

We're looking forward to a fantastic season and can't wait to connect with you soon. If you have any questions, please feel free to email us at [ycsswimteam@gmail.com](mailto:ycsswimteam@gmail.com).

Sincerely,

Coach Scheel - 734-389-9722

YCHS Head Swim Coach
